Withdrawal Policy

If a student wishes to withdraw from school, they must submit to the Director a statement in writing with the last date of attendance. Any student who has withdrawn, for any reason, that wishes to return to school must submit a letter to the Director requesting re- admittance into the institution. It is at the discretion of the school whether to approve or deny the request. Factors that will be considered include attendance, grades, reprimand history, attitude and adherence to student conduct. There will be a withdrawal fee of \$150.

Grounds For Termination Policy

A student who is terminated by the Academy for any failure to meet the agreed upon demands of the school shall be entitled to a tuition adjustment in accordance with the formula depicted above in the refund policy. An individual may be terminated if:

- * up to 5 consecutive days of unexcused absences (depending on course enrolled)
- * Non-payment of tuition- thirty (30) days
- * Violations of the Student Conduct
- * Continual tardiness/absence
- * Low grades – below 69%

Leave of Absence (LOA) Policy

A leave of absence is a temporary interruption in a students' program of study. Reasons for which a student may request a LOA are death of an immediate relative, an injury or illness of the student or other allowable special circumstances. All submissions for leaves of absence must be submitted in advance in writing, including the reason for the student's request and the student's signature and supporting documentation, unless unforeseen circumstances prevent the student from doing so, they may call the school. Examples of supporting documents are: medical documentation, counseling records, obituaries/death certificates, legal court or police report documentation. A LOA can only be applied for if the student will miss 2 or more calendar weeks of school. LOA will not be granted for anytime under 2 weeks. There must be a reasonable expectation that the student will return from the LOA. The beginning date of the approved LOA would be determined by the institution to be the first date the student was unable to attend the institution because of the incident. We will extend the student's maximum time frame and the contract period by the same number of days taken in the LOA. The student will not be assessed any additional charges, such as "late payment fees", as a result of the LOA not including the "change of contract fee" of \$75. The LOA together with any additional leaves of absence must not exceed 180 days in any 12-month period. A student granted an LOA that meets these criteria is not considered to be withdrawn, and no refund calculation is required at that time. If a student does not return after 12 weeks, they will be withdrawn, at which a withdrawal fee will be charged.

Attendance Policy

Students are required to attend class regularly. If you are expecting to be late the school should be notified no less than 1 hour before your scheduled clock in time. If you have 3 or more unexcused absences you will be charged a re-admittance fee of \$50. You are responsible for notifying your funder of all absences. Students are responsible to make up all missed hours and assignments to acquire a certification of course completion. Students can miss a total of 16 unexcused hours per month. Failure to meet these requirements will result in some sort of reprimand either or both being financially and disciplinary. To change your contract there will be a \$75 charge unless a medical or legal excuse is given.

Academic Progress Evaluations

The qualitative element used to determine academic progress is a reasonable system of grades as determined by assigned academic learning. Students are assigned academic learning and a minimum number of practical experiences. Academic learning is evaluated after each unit of study. Practical assignments are evaluated as completed and counted toward course completion only when rated as satisfactory or better (the computer system will reflect completion of the practical assignment as a 100% rating). If the performance does not meet satisfactory requirements, it is not counted, and the performance must be repeated. At least two comprehensive practical skills evaluations will be conducted during the course of the study. Practical skills are evaluated according to text procedures and set forth in practical skills evaluation criteria adopted by the school. Students must maintain a written cumulative grade average of 70% prior to graduation. Students must make up for failed or missed tests and incomplete assignments. Numerical grades are considered according to the following scale:

90 - 100
80 - 89
70 - 79
0 - 69

EXCELLENT
VERY GOOD
SATISFACTORY
UNSATISFACTORY

Determination of Progress Status

Students meeting the minimum 70% academics and 70% attendance requirements at the evaluation point are making satisfactory academic progress until the next scheduled evaluation. Students will receive a hard copy of their Satisfactory Academic Progress Determination at the time of each of the evaluations.

Transcripts/Records

Students have the right to review and inspect their records. The student should submit to the Director a written request that identifies the specific records needed. HnH Beauty Academy will grant this request within 45 days after the request is received. The records can be supplied via email at no charge or printed copies will be 50 cent per page. The hard copy can be picked up at the school. Upon completing all graduation requirements, the student will be issued one transcript without charge. Any additional transcripts will be provided for \$50.00 each. In the event the student withdraws or is terminated, all financial obligations must be met before an official transcript will be released. Students may request a transcript to be mailed to another institute provided he/she submits the proper request form with the institute's physical address and phone number along with any fees required by HnH Beauty Academy. The transcript will be sent out within 7-10 business days of the request. Records are kept by grades, hours of completion and number of practicals completed, under state requirements. Student records are maintained by the school for six years after the student completes or withdraws from the program. Transcripts are maintained indefinitely and can be issued for a fee. Third party access to records is given to any Government Agency (ex: court officials, sheriff, police, attorneys), Delaware State Board Representatives, Administrative Staff, Accrediting Agencies. All other parties only upon written release from students per request.

Warnings

Students who fail to meet minimum requirements for attendance or academic progress are placed on warning and considered to be making satisfactory academic progress during the warning period. The student will be advised in writing on the actions required to attain satisfactory academic progress in the next evaluation. If at the end of the warning period, the student has still not met both 70% attendance and academic requirements, he/she may be placed on probation if the student has prevailed upon an appeal and if applicable.

Probation

Students who fail to meet minimum requirements for attendance or academic progress after the warning period will be placed on probation and considered to be making satisfactory academic progress during the probationary period, if the student appeals the decision, and prevails upon appeal. Additionally, only students who have the ability to meet the Satisfactory Academic Progress Policy standards by the end of the evaluation period may be placed on probation. Students placed on an academic plan must be able to meet the requirements set forth in the academic plan by the end of the next evaluation period. Students who are progressing according to their specific academic plan will be considered making Satisfactory Academic Progress. The student will be advised in writing on any potential actions required to attain satisfactory academic progress by the next evaluation.

Interruptions, Course Incompletions, Withdrawals

If enrollment is temporarily interrupted for a Leave of Absence, the student will return to school in the same progress status as prior to the leave of absence. Students who withdraw prior to completion of the course and wish to re-enroll will return in the same satisfactory academic progress status as at the time of withdrawal.

Suspension/Termination

A student may face suspension or termination for any reason resulting from not meeting the requirements or not complying to the code conduct set out by the school within this contract. Suspension will occur after 3 unexcused absences. Upon re-admittance a termination may follow if the late/absent issue still occurs equaling 8 hours (1 day). It is the school's discretion to determine the length of suspension or if the severity of the issue meets that of termination. Please also review "Make-up/Missed Work Policy".

Appeal Procedure

If a student is determined to not be making satisfactory academic progress, the student may appeal the determination within ten calendar days. Reasons for which students may appeal a negative progress determination include the death of a relative, an injury or illness of the student, or any other allowable special or mitigating circumstance. The student must submit a written appeal to the school on the designated form describing why they failed to meet satisfactory academic progress standards, along with supporting documentation of the reasons why the determination should be reversed. This information should include what has changed about the student's situation that will allow them to achieve Satisfactory Academic Progress by the next evaluation point. Appeal documents will be reviewed, and a decision will be made and reported to the student within 30 calendar days. The appeal and decision documents will be retained in the student file. If the student prevails upon appeal, the satisfactory academic progress determination will be reversed, and federal financial aid will be reinstated, if applicable.

Re-Entry Procedure

Students who re-enter will re-enter under the same Satisfactory Academic Progress status as in place at the time the individual left, regardless of how much time has elapsed. Students who want to re-enter school must contact the school office and receive written approval. Determination for re-entry will be made on an individual basis. Any hours accumulated and paid for will be honored, any remaining hours will be charged at the current tuition rate. Each student will be charged a \$150 re-entry fee. Re-entry fee for suspended students will be a \$50 charge upon returnal.

Max Time Frame

Maximum time frame for Students is 150% of the Enrollment Period. If, due to attendance or academic problems, a student must attend additional program hours beyond the 150% Maximum Program Length in order to complete the Program, the Student's Enrollment Agreement will terminate. The student may be permitted to complete the program on a cash-pay basis by submitting a request for re-enrollment. Anytime after original course lengths there will be a daily and or weekly fee until the course is complete. This fee is additional to the original tuition. The fee is determined by the Director but it will be a minimum of \$75 per hour. A leave of absence extends the student's contract period and maximum time frame by the same number of days taken in the leave of absence.

COURSE	LENGTH	MAX TIME
Nail technology	300 hrs	450 hrs
Nail Instructor	250 hrs	375 hrs
Nail Instructor	500 hrs	750 hrs

The maximum time allowed for transfer students who need less than the full course requirements or part-time students will be determined based on 65% of the scheduled contracted hours. A student who exceeds the maximum time frame will be dropped from the program.

SATISFACTORY ACADEMIC PROGRESS POLICY

Evaluation Periods

Students are evaluated for Satisfactory Academic Progress (SAP) as follows:

Nail Technician

0-150 Hours
150- 300 Hours

Nail Technology Instructor

0-100 Hours
100-250 Hours
250-500 Hours *Licensed under 2yrs*

The Satisfactory Academic Progress Policy applies to every student enrolled at the institution (full-time/part-time) in any program and is provided to every student before enrollment.

For Transfer Students, midpoint of the contracted hours or the established evaluation periods, whichever comes first.

Evaluations will determine if the student has met the minimum requirements for satisfactory academic progress. The minimum requirement for SAP is 70%. If a minimum cumulative GPA of 70% or greater is not maintained and/or the rate of attendance of 70% is not achieved the student will have all schooling stopped, unless supporting documents are submitted to justify the time and academics missed.

Make-Up/Missed Work Policy

If the student is absent from class they forfeit that days' theory lecture and are responsible for making up missed work or collecting missed information. If the student is late and missed lecture the student is expected to pick up where the class is (including during tests) and make up any work when they find excess time during school. If they are absent on a test day, the test must be made up upon return or a zero will be posted for that test. Tests or practicals can be made up during theory sections, breaks and/or lunch if the instructors schedule permits. If a student was re-admitted due to suspension the same applies, all lectures missed are forfeited and all work and tests should be made up at appropriate times.

Tuition Costs

Please see contract upon enrollment

Tuition Payments

Tuition and fees are subject to change without notice. Tuition payments can be made in full by cash or cashiers check made payable to HnH Beauty Academy. Payment by credit card is accepted with an additional 3.9% processing fee. If a payment plan is agreed upon payments are expected on time or no further instruction will be rendered unless otherwise discussed with the Director. Once all payments are current, instruction will then presume, it is the student's responsibility to remain on schedule with assignments that were missed during that time. Schedules will not be adjusted due to missed time because of late payments.

Additional Student Expenses

When a student enrolls in any course at HnH Beauty Academy, each program necessitates books, a kit, and supplies (relating directly to the course of study), are included in the cost of the program, and provided by the institution. There are, however, a few other items to consider that will be necessary to the program at the student's cost. The following are some examples of such items:

1. A student may elect to use specialty products not included in the kit provided. Such items may be purchased by the student and may be used in the school.
2. If a student should damage or misplace any items in his/her kit, the student will be responsible for replacing that item.
3. Each student is expected to wear the proper assigned uniform every day. Uniform cost may vary upon brand and store pricing from which student purchase from. Extra shirts from the school vary in costs.
4. Each student is expected to wear the appropriate footwear every day. (The cost will vary for each student. Closed toed, flat, concealed footwear must be worn at all times.)
5. Formal graduation fees
6. School supplies such as notebooks, pens, pencils, and any other items the student wishes to use for classes and assignments. (Cost may vary upon student preference.)
7. Transportation costs. Including field trips.
8. Food costs. Including field trips. Water is available at the school for \$1.
9. A student must pay for Theory, Practical Exams and license application upon completion of the assigned program for licensure testing.

Grading Policy

A student's grade is determined by his/her practical, theory, and clinical grades. The practical and clinical grades are computed on a daily basis, and the theory is determined by test scores. Students are evaluated on the following grade scale:

LETTER GRADE RANGE

A Excellent (90-100)	EXAMS = 50%
B Above Average (80-89)	THEORY= 25%
C Average (70-79)	PRACTICAL= 25%
D Below Satisfactory Progress (0-69)	

Methods of Instruction

Instruction techniques include classroom theory, lessons, directed discovery, demonstrations, the use of audio visual and printed materials, as well as written and practical testing. Instructors supervise students as they practice their operations on a live model or mannequin. The use of practical testing criteria and written material are utilized to evaluate student progress.

Student Self-Services

Students wishing to receive a service in this school must have permission from the instructor to give or receive any service. Student self-services are considered a privilege, and are awarded only to students who maintain satisfactory progress for both attendance and grades. Services are not free to students. They are required to pay a fee of \$25 for services before said service. Fees are subject to change.

Employment Assistance

The school does not and will not make any guarantee of employment or salary upon graduation. The school will provide placement assistance which will consist of identifying employment opportunities and advising appropriate means of attempting to realize these opportunities. Information for available opportunities will be posted on the student FYI board in the school.

Guest Speakers and Special Events

As a part of the schools' effort to provide a wide range of experiences, guest speakers, stylists and salon owners are included in the curriculum. Schedules for special events are a part of the training programs. Occasional field trips to malls, high schools, salons and hospitals help students develop skills and a formal graduation may be attended.

Formal Graduation

Formal graduations are voluntary and will be held twice yearly (April & August). Students will have the opportunity to invite up to 3 guests. Graduation will be held in a beautiful local venue with delicious food and gathering for a chance of networking! Graduation fees need to be added to tuition price upon enrollment. Once the commitment is made there will be no refund as there will be personalized orders made. There will be a Valedictorian acknowledged for the classes involved in that scheduled graduation. There are no extra fees associated with being the class Valedictorian but the student will be asked to prepare a speech for their peers. If the selected student declines the position will be passed down to the next candidate. The formal graduation fee is \$250 and needs to be added to tuition price upon enrollment. What your graduation fee pays for is:

1. Cap, Stole & Tassel
2. Class Ring
3. Diploma Cover
4. Food

If the student prefers to not attend the formal graduation but would still like to purchase one of the graduation items listed above they may do so and that should also be added to tuition upon enrollment. There will be no refunds for any class rings, stoles or tassels as these are personalized item.

Instructional Materials

Students who are enrolled are furnished with one clinic apparel (top), textbooks and practical kits. The school will not be held accountable for replacing any items once you receive and sign for them. All kits are furnished with enough supplies to get the student through the course required practicals. If any single use supplies are used on a live person, whether at home or in school, it has to be trashed after use, and will need to be replaced. Students should have what is needed to complete practicals everyday. Monomer refills are \$25 and need to be purchased from the school ONLY. If a student purchases Valentino or Young Nails branded monomer it can only be used if the seal is not broken (unopened) and the director opens it themselves. Bottles are never to be refilled with other monomers. Any violation of this will end with a termination from the school.

School Uniform Policy

Students are to dress in all-white for instruction. Pure white jeans or slacks or scrub bottoms are acceptable. One uniform top will be included in the kit. Kits are considered part of the dress code and are needed for the student to be within the policy. There is a \$25 replacement charge for a scrub top and \$35 replacement for a t-shirt. No prints or logos are to be seen. School-issued or approved HnH Beauty logos can be worn. Attire should not be seen through, torn, or have rips/holes in them. No sagging pants, caps, hats, scarves, or headbands wider than an inch should be worn. No shorts, skirts or dresses can be worn. Pullover hoodies and outside coats or jackets are to be worn during school hours, if a jacket is needed it should be all white or all black with no prints. Closed-toe, closed heel and flat shoes must be worn at all times. Hair and makeup must be kept neat. Students must obey all rules of personal hygiene and maintain a professional image at all times. Students that do not adhere to the school policy will be asked to correct this issue or sign out and sent home.

Student Conduct

All students must conform to federal, state, and local laws. They must respect the rights of others and conduct themselves in a manner conducive to the educational objectives of the school. Any display of disrespect for the school, faculty, or students, use of profanity, theft, or use or possession of alcohol and/or drugs on school property are considered grounds for immediate dismissal. The school deserves the right to suspend or dismiss any student whose actions are deemed inappropriate or detrimental to the school. Once a student is terminated, the student cannot attempt to re-enroll in the program for at least ninety (90) days and a written statement of request is required, and even then the school has the discretion to deny.

Lunch

Lunch will be taken at the assigned times on the daily schedule. There may be instances that may cause lunch not to be taken at the time mentioned in the daily schedule such as finishing tests, or lectures, etc. Students are allotted 30 minutes for lunch. Anytime the student leaves the premises they must sign out and back in upon returning. If the student eats lunch in the school, they are responsible for keeping their area clean and orderly. All beverage containers must be emptied in the utility sink and placed in trash receptacles. The refrigerator and microwave are present for convenience. Clean the microwave if spills occurs and do not leave anything in the refrigerator overnight, it will be emptied daily.

Students Responsibilities

It is a student's responsibility to:

Registering Hours with the State Board of Cosmetology – DELAWARE

In order for Nail Technician/Instructor students to register hours with the State Licensing Board, they must submit the following documents: Official High School Transcript or GED (mailed directly to SMT from the school) and Beauty School transcript (sent by the school upon full compliance of the school).

The procedure for licensure involves applying with SMT online in which the school will provide assistance at the conclusion of the course. A fee is required currently of \$225 and is paid directly to the state. There is another fee associated if the student would like to apply for a temporary license (work permit) until the state board examination is taken. After successfully passing the state boards, the student will receive a license to work as a licensed professional in Delaware. Students will be informed where the state board examination and theory test will be held. Students must furnish his/her own equipment. Most materials are furnished in student kits and any additional items needed can be purchased elsewhere or from the school. Licenses are renewed every 2 years.

Discrimination Policy

As an equal opportunity nail technician school, the school will not deny any person admission, graduation, or any other rights and privileges of the school due to age, race, color, sex, religion, creed, handicap, or ethnic origin.

Sexual Harassment Policy

Sexual harassment is conduct of sexual nature that makes someone uncomfortable or embarrassed. According to the Federal Equal Employment Opportunity Commission (EEOC), sexual harassment is sexual attention that is: Unwelcome and Unwanted, Harmful, or Illegal. It is neither permitted nor tolerated.

Right To Privacy and Information Release

Governing agencies have access to student files. Record information will not be released to unauthorized persons or agencies without written consent from the student or parent/guardians of dependent minor students for each request. The release information policy also applies to parents or guardians in the event the student is still a minor.

Non-Disparagement Agreement

The student agrees not to make any statements, written or verbal, cause or encourage others to make any statement, written or verbal, that defame, disparage or in any way criticize the personal or business reputation, practices or conduct of HnH Beauty Academy, its employees, directors or officers. The student acknowledges and agrees that this prohibition extends to statements, written or verbal made by anyone including but not limited to the news, media, investors, potential investors, industry analysts, the internet (including email and all social media sites) and all other forms of electronic communication, competitors, strategic partners, vendors, employees (past and present) and clients. The student understands and agrees that this paragraph is a material provision of the agreement and that each party would be irreparably harmed by violation of this provision.

Grievance Procedures

Most grievances arise between a student and a teacher or other first-line members of the staff. Such problems are infrequent. If the complaint cannot be handled in an informal manner, the student can confer with the Director. In the event a dispute cannot be successfully resolved at the institution level, a student, staff member, or any interested party may contact:
